

Barcelona, March 6th 2023,

Our commitment to people and planet is an ongoing journey, where thanks to our teams, clients, and business partners, we have been able to continuously raise our objectives and results.

We are therefore extremely proud to announce that we've improved our business sustainability rating with EcoVadis in 2023 to 80 points reconfirming our Platinum status and which puts us in the 99th percentile of all respondents for ESG performance.
