

Health and Safety Policy Statement

Dimension Development recognises and accepts it has a common law duty of care to all persons affected by its activities along with statutory obligations. The Company's policy objective is to establish and maintain a high standard of health, safety and welfare for all its employees and those affected by its operations.

We will monitor Health & Safety performance and revise our Health & Safety Policy as required. We will seek to improve the Health, Safety and Welfare of our employees through a system of continuous improvement.

It is the intent of the Company to provide a safe and healthy working environment, to this end we are committed to –

- Meeting all our obligations
- Operating a health, safety and environmental committee
- Preventing work related injuries and ill health
- Reducing risks associated with our operations
- Provide products that are safe to use and can be easily and safely dismantled at end of life for reuse or recycling
- Continually improving our management practices and performance

Each employee is also reminded that whilst at work, they have the following duties –

- To take reasonable care of their own health and safety
- To take reasonable care of the health and safety of others who may be affected by their acts or omissions
- To co-operate with management so that the company can comply with statutory provisions
- Not to misuse or interfere with anything provided in the interests of health and safety

Failure to comply with any lawful instruction under Health and Safety policy shall result in disciplinary action.
